

Henry High School

6702 Wandermere Drive, San Diego, CA 92120

Built in 1969
Site Acreage: 39.7 acres
2438 Students

Guiding principles were established by the Board of Education's Ad Hoc Task Force on the Bond to assist in developing educational facilities that:

- are the heart and soul of the community
- have parity of the physical facilities and structures
- improve student learning and achievement
- improve accountability

Site-Specific Bond Project List

The following needs were identified through a comprehensive planning process, which included input from school site representatives to cluster meetings, district departments and other assessment measures.

The language below will be included in the bond resolution:

Project Improvements to Support Student Learning and Instruction

- **Provide 21st century technology upgrades, including audiovisual projection capabilities for all students**
- **Provide a wireless network (WIFI)**

School Improvements to Support Student Health, Safety and Security

- **Replace obsolete fire alarm and emergency communications system**
- **Renovate food service area, including cafeteria, and provide new food kiosks and covered exterior dining spaces to increase service efficiency and provide healthier food choices**
- **Install security lighting, as well as increase vandalism and intrusion safeguards, including modifications to fencing and gates, to secure site**
- **Remove or minimize risks of any potentially hazardous material throughout the facility**
- **Retrofit/install educational spaces with a new heating, ventilation, and air-conditioning system**
- **Develop new student drop-off and pick-up areas away from bus loading zone and improve pedestrian circulation on site**

Projects to Improve School Accessibility, Code Compliance Upgrades

- **Renovate existing restrooms and locker rooms**
- **Renovate gym, including new bleachers, to meet accessibility regulations**
- **Improve accessibility to all classrooms, labs, restrooms, and other school facilities to comply with accessibility regulations, including ADA Titles I & II**
- **Install grease trap and three-compartment sink in kitchen**
- **Renovate old bleachers, including press box, and upgrade fields, track and path of travel for safe use and compliance with accessibility regulations**
- **Repair/replace/remove old portable classrooms**
- **Provide accessible restrooms and ticket booths for stadium**
- **Provide accessible weight room/fitness space**

Major Building Systems Repair/Replacement

- **Repair/replace deteriorated plumbing and sewer systems as needed**
- **Repair site sidewalks and concrete areas as needed**
- **Repair/upgrade building interiors, exteriors, finishes and fixtures as needed**
- **Replace aging wiring and upgrade electrical systems, including repair of exterior lighting where needed**
- **Repair ramps, stairs, floors, and walls as needed**
- **Repair/replace/upgrade performance spaces**
