

Kumeyaay Elementary School

6475 Antigua Boulevard, San Diego, CA 92124

Built in 1992
Site Acreage: 11.7 acres
454 Students

Guiding principles were established by the Board of Education's Ad Hoc Task Force on the Bond to assist in developing educational facilities that:

- are the heart and soul of the community
- have parity of the physical facilities and structures
- improve student learning and achievement
- improve accountability

Site-Specific Bond Project List

The following needs were identified through a comprehensive planning process, which included input from school site representatives to cluster meetings, district departments and other assessment measures.

The language below will be included in the bond resolution:

Project Improvements to Support Student Learning and Instruction

- **Install a wireless network (WIFI)**
- **Provide 21st century technology upgrades, including audiovisual projection capabilities for all students**

School Improvements to Support Student Health, Safety and Security

- **Provide campus-wide emergency communications system**
- **Install security lighting, as well as increase vandalism and intrusion safeguards, including modifications to fencing**
- **Retrofit/install classroom heating, ventilation, and air-conditioning system**

Projects to Improve School Accessibility, Code Compliance Upgrades

- **Renovate existing restrooms**
- **Install three-compartment sink in kitchen**
- **Repair/replace/remove old portable classrooms**
- **Improve accessibility to all classrooms, labs, restrooms, and other school facilities to comply with accessibility regulations including ADA Title I & II**

Major Building Systems Repair/Replacement

- **Repair/restore building interiors, exteriors, finishes and fixtures as needed**
- **Resurface asphalt parking lots and playground areas as needed**
