Marvin Elementary serves the residential community of Allied Gardens. Most of the 440 (approximate) student population are from the surrounding neighborhood. The staff and community are dedicated to enriching the students with instruction and other programs. They have active parent involvement through their Parent Teacher Foundation.

The campus consists of 13 building facilities, staff parking and student drop off, hardscape playground and Decomposed Granite (DG) play field. The buildings total 42,347 square feet and include administration offices, classrooms, library and a multipurpose room. The campus was originally built in 1958 with 6 buildings and then added a library building in 2003. Over the years, portable classroom buildings were added to accommodate student population growth.
