① Whole Site Modernization

Memorial Preparatory for Scholars and Athletes is a middle school in the Logan Heights community. The school opened under this name in 2008, however the campus has been part of the district since 1921 as Memorial Junior High School. The Prep school focuses on developing healthy, active students and athletes.

All of the original buildings have been replaced over the years. The existing eight buildings were built in 1943, 1954, 1958 and four in 1977. The school has a current student enrollment of approximately 410 students. In addition to the eight permanent buildings, there are also 21 portable classrooms. There is a total of 129,129 square feet of learning and support space.

The Whole Site Modernization project at Memorial Prep will revitalize the campus into a K-12 campus. The site is currently occupied by Logan K-8 and Memorial Preparatory schools. The middle and high schools portion of the 20-acre site will be newly constructed. The proposed new campus will consist of:

Grades 7-8

- Separate one-entry to middle school
- A two-story classroom building
- A two-story facility for locker rooms and science classrooms
- Multipurpose building including food services with kitchen
- Turf play field and hardcourts

Grades 9-12

- A two-story administration building with one-entry to high school
- Two two-story classroom buildings
- Gymnasium with classrooms
- Food services building with kitchen and cafeteria
- Theatre with art classrooms
- Athletic field and hardcourt areas
