

Mira Mesa High School

10510 Reagan Road, San Diego, CA 92126

Built in 1977
Site Acreage: 48.6 acres
2592 Students

Guiding principles were established by the Board of Education's Ad Hoc Task Force on the Bond to assist in developing educational facilities that:

- are the heart and soul of the community
- have parity of the physical facilities and structures
- improve student learning and achievement
- improve accountability

Site-Specific Bond Project List

The following needs were identified through a comprehensive planning process, which included input from school site representatives to cluster meetings, district departments and other assessment measures.

The language below will be included in the bond resolution:

Project Improvements to Support Student Learning and Instruction

- **Provide 21st century technology upgrades, including audiovisual projection capabilities for all students**
- **Provide a wireless network (WIFI)**

School Improvements to Support Student Health, Safety and Security

- **Replace obsolete fire alarm and emergency communications system**
- **Renovate food service area, including cafeteria, to increase service efficiency and provide healthier food choices**
- **Install security lighting, as well as increase vandalism and intrusion safeguards, including modifications to fencing, to secure site**
- **Remove or minimize risks of any potentially hazardous material throughout the facility**
- **Modify site to expand bus drop-off and loading area**
- **Improve pedestrian safety in parking areas and other circulation space on site**

Projects to Improve School Accessibility, Code Compliance Upgrades

- **Renovate existing restrooms and locker rooms**
- **Renovate gym, including new bleachers, to meet accessibility regulations**
- **Improve accessibility to all classrooms, labs, restrooms, and other school facilities to comply with accessibility regulations, including ADA Titles I & II**
- **Renovate old bleachers, including new press box with elevator/lift**
- **Upgrade fields and track to improve safety and to comply with accessibility regulations**
- **Repair/replace/remove old portable classrooms**
- **Provide new accessible restrooms with storage for stadium and fields**
- **Provide accessible weight room/fitness space**
- **Provide accessible ticket booths**

Major Building Systems Repair/Replacement

- **Repair/replace deteriorating plumbing and sewer systems as needed**
- **Resurface existing parking lots**
- **Repair site sidewalks and multi-purpose hard court surfaces where needed**
- **Repair asphalt circulation areas as needed**
- **Repair/upgrade building interiors, exteriors, finishes and fixtures as needed**
- **Repair/replace outdated heating and cooling systems and controls where needed**
- **Replace aging wiring and upgrade electrical systems as needed**
- **Repair/replace/upgrade performance spaces**
