

# Miramar Ranch Elementary School

10770 Red Cedar Dr.

San Diego, CA 92131

Sub-district: A  
Cluster: Scripps Ranch  
Year School Opened: 1976  
Grades: K-5

① Roofing and HVAC upgrades

Miramar Ranch Elementary School is in the heart of the Scripps Ranch community with a residential neighborhood outlining its boundaries. The school was built out of necessity due to the ever growing Scripps Ranch neighborhood in the early 1970s. The Scripps Ranch Civic Association helped steer the endeavor with the district. The current enrollment is approximately 780 students with 27 classrooms.

The campus consists of over 69,000 square feet of space broken into a two-story building for classrooms, administration offices, food services, multi-purpose room and library/media center. There are also 23 portable buildings of learning space. The campus offers a grass play field and an asphalt playground with play structures for physical education.

# Miramar Ranch Elementary School Roofing and HVAC Upgrade

Completed: October 2016  
Funding: Proposition Z

The roofing and heating/ventilating/air conditioning (HVAC) project at Miramar Ranch Elementary was necessary due to the age of the roof and systems. These repairs and renovations will support the learning environment for the students and comply with the district's health and safety standards.
