Mr. Kevin Weinberg  
Baker Electric, Inc.  
1298 Pacific Oaks Place  
Escondido, California 92029

Dear Mr. Weinberg:

Subject: Master Contract Design & Construction of Solar Power Generation Systems PS18-0281

Substitution Request – Electrical at Henry High School **ONLY**

Engie Services U.S. has requested by letter dated July 31, 2020, that the District approve substitution of your company for the electrical portion of work sighting your company has failed/refused to sign a written contract after having a reasonable opportunity to do so, for the scope of work specified in the subcontractor's bid and at the price specified in the subcontractor's bid, based upon the general terms, conditions, plans and specifications for the project involved or the terms of the subcontractor's written bid.

**Pursuant to Public Contract Code 4107, you have five (5) working days from the receipt of this letter to submit written objections of the proposed substitution to the San Diego Unified School District.** Failure to file such written objections shall constitute your consent to this substitution. If you submit written objections you will be given at least five days written notice of a hearing to consider Engie's request for this substitution.

If you have any questions regarding the above, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Carmen Peralta", written over a horizontal line.

Carmen Peralta  
Contract Specialist
