## Project Stabilization Agreement (PSA) Things You Should Know

---

- The successful prime Contractor and all subcontractors, regardless of tier, must sign a Letter of Assent binding them to the provisions of the PSA for this PSA- covered project prior to commencement of work.
- Contractors are bound to the terms of the PSA only for the life of the PSA- covered project.
- The successful prime Contractor must attend a pre-job labor conference prior to the commencement of work.
- Neither Contractors nor their employees are required to join a union to work on the PSA-covered project. However, "Core Employees" are required to register with the union hiring hall representing the craft work they will perform.
- Unless they have signed a separate collective bargaining agreement, the prime Contractor, and all subcontractors, regardless of tier, must utilize the union hiring hall for referral of craft employees.
- SDUSD has set certain goals for employment of District residents on PSA- covered projects. To the extent possible, Contractors should follow these goals when assigning workers to PSA-covered projects.
- All state and federal laws pertaining to Labor Compliance apply to PSA-covered projects. No provision of the PSA can overrule these laws.
- Unless otherwise determined by the Project Labor Coordinator, the employee fringe benefit portion of the employee prevailing wage rate **must** be contributed to the applicable trust fund on behalf of the employee.
- Complete copies of the Project Stabilization Agreement may be found on the SDUSD website: [https://sandiegounified.org/departments/facilities\\_planning\\_and\\_construction/doing\\_business\\_with\\_facilities\\_planning/project\\_stabilization\\_agreement](https://sandiegounified.org/departments/facilities_planning_and_construction/doing_business_with_facilities_planning/project_stabilization_agreement)
