Contract Amount

Contract Summary

Estimated Construction Start Date

6/1/2023

Estimated Construction End Date

8/1/2023

Contract Summary

To perform site investigations in order to better understand the building's structural systems. Site investigation work will include concrete and asphalt removal, minor excavation, some removal and replacement of ceiling tiles and patch-back covering of excavations with asphalt or plywood. None of the work included in this contract is an improvement to the site. All of the work is purely to expose and document existing structural conditions.
