The submission of a Proposal shall be taken as prima facie evidence of compliance with this section.

Any addenda issued during the time of the RFP solicitation shall form a part of the RFP.

- 1.10. **Inspection of Facilities:** The District reserves the right to inspect the facilities of the Contractor prior to award of the contract. If Contractor still needs DVBE participation to meet the 3% mandate, DVBE lower tier participation to a higher tier EBE may be counted, if the related higher tier EBE participation is adjusted to account for the lower tier DVBE contract value in EBE reporting forms.
- c. District Business Outreach staff will attend the project preconstruction meeting and present information about the reporting schedule, EBE Participation goals and requirements, review the Contractor's proposed outreach Plan and methods, and identify any areas/trades where District

Business Outreach staff could provide assistance in helping the Firm meet its goals.

 - 2) Substantial Completion EBE Status meeting with District Business Outreach staff to review Contractor’s EBE Participation results, goals and proposed outreach efforts; and identify any areas/trades that require support from the District Business Outreach staff to meet Contractor’s goals. A follow-on meeting may be set as deemed necessary and at the convenience of District Business Outreach staff to provide the Contractor with every opportunity to meet its EBE participation goals.

ATTACHMENT NO. 3**DESIGNATED DVBE/SDVOB PARTICIPATION DOCUMENTATION
AND
DESIGNATED SUBCONTRACTORS LIST****DISABLED VETERAN BUSINESS ENTERPRISE ("DVBE")
PARTICIPATION PROGRAM OVERVIEW AND RESOURCES**

1. **DVBE Participation Program Policy.** The District is committed to achieving the administratively established Participation Requirement for Disabled Veteran Business Enterprises ("DVBEs") in accordance with Resolution In Support of Service Disabled Veteran-Owned Businesses (SDVOB) and Disabled Veteran Business Enterprises (DVBE) approved on May 10, 2011 by the Board of Education Resolution. Through the DVBE participation program, the District encourages contractors to ensure maximum opportunities for the participation of DVBE's in the Work of the Contract. The District's commitment to the achievement of DVBE Participation Requirement for the Work of the Contract shall not, however, result in the District's discrimination in the award of the Contract on the basis of ethnic group identification, ancestry, religion, age, sex, race, color, or physical or mental disability.

Contractor participation is mandatory for all construction jobs with the District.

Information regarding the DVBE participation program, including a listing of DVBE certified businesses, is available on the internet at the State of California Department of General Services website at: <https://caleprocure.ca.gov/pages/sbdvbe-index.aspx>.

2. **Definitions.**

- 2.1 **Broker:** A certified DVBE contractor that does not have title, possession, control, and risk of loss of materials, supplies, services or equipment provided, unless one or more of the disabled veteran owners has at least 51-percent (51%) ownership of the quantity and value of the materials, supplies and equipment provided [Military and Veterans Code (MVC) Section 999.2(b)].
- 2.2 **Commercially Useful Function (CUF):** A "commercially useful function" (CUF) provides services or goods that contribute to the fulfillment of the contract requirements. It is not a CUF if the DVBE's role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of DVBE participation. A CUF is a person or entity doing all of the following:
- a. is responsible for the execution of a distinct element of the work of the contract;
 - b. carries out the obligation by actually performing, managing or supervising the work involved;
 - c. performs work that is normal for its business services and functions; and
 - d. is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry standards.
- 2.3 **Disabled Veteran:** A "Disabled Veteran" means a veteran of the military, naval, or air service of the United States with at least ten percent (10%) service-connected disability who is a resident of the State of California.
- 2.4 **Disabled Veteran Business Enterprise;** 51% owned by one or more disabled veterans, management and daily operations are controlled by one or more disabled veterans but need not be those who own the business; and home office located in the United States which is not a branch or subsidiary of a foreign corporation. See California Military & Veterans Code, §999(b)(7)(A).

District accepts, both, the DGS Disabled Veteran Business Enterprise (DVBE) certification and the Department of Veterans Affairs Center for Veterans Enterprise (CVE) Service Disabled Veteran-Owned Business Enterprises (SDVOB) verification with CVE letter.

- 2.5 **Front:** A Subcontractor providing artificial or incidental participation to meet the objective of a Contract (e.g., DVBE participation requirement), or a provider who does not own the equipment they are providing, but going to an outside source.
- 2.6 **Pass-through:** A supplier providing access to materials and supplies for which they are not specifically certified/verified. Also see "Front" above.

3. Participation Requirement.

- 3.1 **Participation Requirement Defined.** The term "Participation Requirement" is a numerically expressed condition of DVBE participation in performing the Work of the Contract
- 3.2 **DVBE Participation.** The Proposal of a Contractor shall be deemed responsive only if the Contractor achieves or exceeds the DVBE Participation Requirement of three percent (3%) of total amount of Contractor's GMP. The Contractor's achievement of the Participation Requirement will not by itself render the Proposal of such contractor to be qualified; in accordance with the information for Contractor, the entirety of the Proposal must be the qualified Contractor whose responses conform to the RFP.

DVBE's need to have a current and valid certification from the DGS for the business type and classification as listed on the bid documents. SDVOB's need to have a current and valid verification letter from the CVE relevant to the bid (e.g., NAICS Code); self-certification will not be accepted. DVBE eligibility is a two-year period; SDVOB eligibility is a three-year period. Eligibility must be current at time of DVBE bid and contract award.
- 3.3 **Exclusions:** The District expressly prohibits pass-throughs and fronts.
