BID PACKAGES: This project is being bid as “Bid Packages” per contract number. The bidder must self-perform a minimum of 15% of each bid package that is being bid. If a bidder is interested in bidding multiple bid packages, the bidder must submit individual bids for each bid package per GMP. Bidders may demonstrate economy of scale savings on their proposal forms by bidding multiple bid packages for a single GMP. However, bidders may NOT combine multiple bid packages for multiple GMPs, into a single GMP submission. All bids will be reviewed and evaluated for completeness of scope coverage. Subcontracts shall be awarded, if awarded at all, by the general contractor on the basis of lowest bid. The District defines lowest bid as the lowest responsive, responsible bid for a single bid package or the summation of the lowest value of multiple bid packages, if multiple bid packages were proposed by a subcontractor. If DVBE mandatory participation is needed, the next lowest subcontractor who can meet the minimum 3% DVBE requirement may be selected.
