Substitution Request – Site Utilities

Balfour Beatty Construction has requested by letter dated July 1, 2019, that the District approve substitution of your company for the site utilities portion of work sighting your company has failed/refused to sign a written contract after having a reasonable opportunity to do so, for the scope of work specified in the subcontractor's bid and at the price specified in the subcontractor's bid, based upon the general terms, conditions, plans and specifications for the project involved or the terms of the subcontractor's written bid.
