GENERAL INSTRUCTIONS SECTION

1. INTRODUCTION

The District is issuing this solicitation pursuant to California Government Code section 4217.10 *et seq.* to receive electronic individual site-specific firm-fixed-price proposals from qualified business entities for solar project implementation comprising “grid-connected” PV Systems at the two sites listed herein.

REQUEST FOR QUALIFICATIONS AND PROPOSALS FOR SOLAR POWER GENERATION SYSTEMS AT 2 SITES (GROUP F)

The method of procurement will be a competitive solicitation via a Request for Qualifications and Proposals (RFQ/P). The District may award to multiple contractors.

Price will not be the sole determinant for the award of agreement. The District has established qualifying criteria for Proposers on this Project, including experience with similar projects. An Evaluation Committee will review, evaluate and rank the most qualified SOQ/P’s according to “Best Value” for the District, based upon several substantive variables, including but not limited to: Statement of Qualifications, Technical Proposal, Schedule, and Firm-Fixed-Pricing Proposal.

The District seeks responses to qualifications and proposals that clearly present evidence of competency and capability of providing the services detailed herein. Proposers shall, in their submitted proposals, detail their experience, expertise, qualifications, and proposed methodology to provide the services described in this RFQ/P.

This RFQ/P is designed to provide interested Proposers with sufficient basic information to submit SOQ/P’s meeting minimum requirements. Furthermore, this RFQ/P is not intended to exclude any relevant or essential data. The District will consider various proposals and methods of providing the service(s) outlined in this document.

The RFQ/P shall not obligate the District to purchase or award an agreement for any services specified herein. Furthermore, the District reserves the right to accept or reject any or all proposals received, to waive minor irregularities, to negotiate with any qualified source or to cancel in part or in its entirety this RFQ/P, if it is determined by the District to be in its best interest.

No proposals shall receive consideration by the District unless made in accordance with instructions contained within this RFQ/P.

2. BACKGROUND

The District serves more than 106,000 students in pre-school through grade 12 and is the second-largest district in California. The student population is extremely diverse, representing more than 15 ethnic groups and more than 60 languages and dialects.

With this Project, the District intends to 1) reduce electrical energy costs, and 2) reduce the carbon footprint of the District. Cost savings are to be achieved by entering into a Contract with a goal for immediate annual utility cost savings to the District, while producing a hedge against future utility rate inflation.

The District intends to procure the PV Systems utilizing District funding and will “own the facility” and will not consider alternative funding options, such as leasing or power purchase agreement offerings.

This Project is subject to the Project Stabilization Agreement (PSA), which was adopted by the Board of Education on July 28, 2009. The complete agreement is available for viewing and downloading at <https://www.sandiegounified.org/node/1279>.

3. SUBMISSION OF PROPOSALS

In order to be considered complete and responsive to this RFQ/P, the electronic SOQ/P’s must be submitted through PlanetBids as a standalone PDF document and must include all of the following:

- Statement of Qualifications

- Include Reference Form for Similar Services in the Past Three Years (Attachment 1)
- Technical Proposal
 - Highlight proposed deviations from contract designs and specifications (if any)
 - Do not include any pricing information
- Attachment 1 Pricing Proposal to Exhibit A

- Subcontractors List (Attachment 5, unshaded columns are due at time of proposal)
- DVB Bidder Declaration (Attachment 6, unshaded columns are due at time of proposal)
- PSA Letter of Assent (Attachment 7)

Completed forms should be without interlineations and/or alterations.

Proposals must be typewritten and prepared in a clean and professional manner.

THIS RFQ/P WILL ONLY BE RECEIVING ELECTRONIC SUBMITTALS THROUGH PLANETBIDS. THEREFORE, PROPOSERS MUST SUBMIT THEIR ELECTRONIC PROPOSAL THROUGH PLANET BIDS. NO OTHER FORM WILL BE ACCEPTED.

4. INTERPRETATION OR QUESTIONS ON RFQ/P DOCUMENTS

Any questions relative to this solicitation shall be addressed in writing to Kathy Osborn, email: kosborn@sandi.net. No Proposals will be emailed. The District Contract Specialist will post answers to all questions via addenda in the District's online Planroom. Any Addenda will be posted through the District's online Planroom: www.sandiegousdplans.com.

The Contract Administrator listed in the "Calendar of Events" is the only individual authorized to make any modifications via addenda or otherwise to this RFQ/P and the resulting contract(s), if any.

The District expressly reserves the right to modify any portion of this RFQ/P prior to the latest date/time for submission of Proposals, including without limitation, the cancellation of this RFQ/P. Modifications, if any, made by the District to the RFP will be in writing; potential Proposers who have obtained this RFQ/P from the District prior to any such modifications will be issued any modifications to the RFQ/P by written addenda. Any and all addenda issued by the Contract Administrator shall be incorporated into this RFQ/P and are a part herein as if originally set forth in this RFQ/P.

The District will not provide any oral clarifications or modifications to the RFQ/P or the requirements hereof. 5. STATEMENT OF QUALIFICATIONS

Proposals shall address the following items succinctly and specifically within the appropriate sections noted below. The proposal should present all information in a concise manner and in terminology understandable for evaluation by the District's Proposal Evaluation Committee. It is more desirable to give additional information than less when the answer could be misinterpreted. There should be no attachments, enclosures, or exhibits other than those considered by the Proposer to be essential to a complete understanding of the proposal submitted. A table of contents is required and each section of the proposal must be tabbed with clear listings of the headings with page numbers to allow easy location of key information. Failure to include all specified sections in response to this RFQ/P may be deemed incomplete.

Termination for convenience refers to all other terminations.

If this option is exercised, each selected finalist shall be given an opportunity to make a presentation, summary and/or demonstration on its submitted proposal. **DISABLED VETERAN BUSINESS (DVB)****PARTICIPATION PROGRAM OVERVIEW AND RESOURCES**

1. **Disabled Veteran Business (DVB).** The term Disabled Veteran Business (DVB) includes verified Service-Disabled Veteran-Owned Small Businesses (SDVOSBs) and certified Disabled Veteran Business Enterprises (DVBEs).

DVB Participation Program Policy. Pursuant to the board-approved resolution in support of Disabled Veteran Businesses (DVBs) approved on May 10, 2011, the District has replaced the good faith effort with a mandatory requirement of 3% for DVB participation on all District construction projects. Through the DVB participation program, the District encourages contractors to ensure maximum opportunities for the participation of DVBs in the Work of the Contract. The District's commitment to the achievement of DVB Participation Requirement for the Work of the Contract shall not, however, result in the District's discrimination in the award of the Contract on the basis of ethnic group identification, ancestry, religion, age, sex, race, color, or physical or mental disability.

Information regarding the DVB participation program, including links to find certified DVBEs and verified SDVOSBs, is available at www.sandiegounified.org/DVB.

- 2.2 **Commercially Useful Function (CUF).** A "commercially useful function" (CUF) provides services or goods that contribute to the fulfillment of the contract requirements. It is not a CUF if the DVB's role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed, in order to obtain the appearance of DVB participation. A CUF is a person or entity doing all of the following:
 - a. is responsible for the execution of a distinct element of the work of the contract;
 - b. carries out the obligation by actually performing, managing, or supervising the work involved;
 - c. performs work that is normal for its business services and functions; and
 - d. is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry standards.
- 2.3 **Disabled Veteran.** A "Disabled Veteran" means a veteran of the military, naval, or air service of the United States with at least ten percent (10%) service-connected disability who is a resident of the State of California.

The terms "foreign corporation," "foreign firm," and "foreign-based business" shall be deemed to mean a business entity that is incorporated or which has its principal headquarters located outside the United States of America.

District accepts both the DGS Disabled Veteran Business Enterprise (DVBE) certification and the Department of Veterans Affairs Center for Verification and Evaluation (CVE) Service Disabled Veteran-Owned Small Business Enterprise- (SDVOSB) verification with CVE letter.

- 2.5 **Front.** A "Front" is a subcontractor providing artificial or incidental participation to meet the objective of a contract (e.g., DVB participation requirement), or a provider who does not own the equipment they are providing, but going through an outside source.

The VA allows for SDVOSB self-certification and CVE verification. The District does not recognize SDVOSB self-certification status and only accepts SDVOSBs with a CVE Letter of verification.

3. DVB Participation Requirement.

- 3.1 **DVB Participation Requirement.** The Bid Proposal of a bidder shall be deemed responsive only if the bidder meets or exceeds the DVB Participation Requirement of Three Percent (3%) of total amount of bidder's Bid Proposal. The bidder's achievement of the Participation Requirement will not by itself render the Bid Proposal of such bidder to be responsive; in accordance with the Information for Bidders, the entirety of the Bid Proposal must be responsive.

DVBEs are required to have a current and valid certification from the State of California Department of General Services for the business type and classification as listed on the bid documents. SDVOSBs need to have a current and valid verification letter from the Department of Veteran's Affairs Center for Verification and Evaluation relevant to the bid (e.g., NAICS Code); self-certification will not be accepted.

- 3.2 **Exclusions.** The District expressly prohibits brokers, pass-throughs, and fronts.
- 3.3 **DVB Substitution Requirements.** See the General Conditions, Subcontractor Substitution Article 5.2.2 for DVB-specific substitution process requirements.
