09:13:53 From Martin To All Panelists : from Teichert

09:14:57 From Jennifer Wilson To Everyone : As before IBEW claims installation of solar panels and has a DIR determination letter and the apprentice able craft to do so.

09:16:26 From Martin To All Panelists : 2nd time I've been disconnected from the zoom call

09:18:18 From Beau Coleman To All Panelists : my hand is up! Beau Coleman IW 229

09:18:42 From Nathan Josefowicz - Teichert To All Panelists : njosefowicz@teichert.com

09:18:59 From Ivory To All Panelists : Todd, Beau has raised his hand.

09:19:04 From Harris III George To Beau Coleman and All Panelists : We'll get to you I promise

09:20:32 From Jennifer Wilson To Everyone : Addendum one refers to apprenticeship and IBEW 569 is the apprentice able craft for solar panel installation and work there of the structure.

09:35:30 From Martin To All Panelists : local 89 accepts the assignment from CPL

09:36:17 From Martin To All Panelists : No one could hear me, but CPL was on the line

09:38:04 From Beau Coleman To All Panelists : Addendum one is not about jurisdiction it's about training and the Ironworkers train Ironworkers.

09:38:42 From Harris III George To All Panelists : Who is on from CPL? There were no questions, so the assignment is assumed to be final

09:40:45 From Elisa To Everyone : Any emails or phone numbers can be shared here in the chat. Please send to "All panelists and attendees". Thank you.

09:44:04 From Martin To All Panelists : local 99 accepts the assignment from California Tree Services

09:47:27 From francisco pena To All Panelists : Addendum one is not about jurisdiction its about training and the carpenters train carpenters
