Re: San Diego Unified School District Project Stabilization Agreement Construction and Major Rehabilitation Funded By Proposition S ("PSA")

Dear Sir:

This is to confirm Bulldog Paving Inc agrees to be a party to and bound by the San Diego Unified School District Project Stabilization Agreement - School Construction Major Rehabilitation Funded by Proposition S ("PSA") effective July 28, 2009, consisting of the Resolution dated July 28, 2009, the Agreement between the San Diego Unified School District and the San Diego Building and Construction Trades, the Agreement between the San Diego Unified School District and the Southwest Regional Council of Carpenters, and Addendum No. 1, and as the PSA may, from time to time, be amended by the negotiating parties or interpreted pursuant to its terms. Such obligation to be a party and bound by this Agreement shall extend to all work covered by the Agreement undertaken by this Company on the Project pursuant to SDUSD Contract No. CS-17-0272-08 Stadium and Athletic Facilities Improvements at Mira Mesa High School, and this Company shall require all of its subcontractors of whatever tier to be similarly bound for all work within the scope of the Agreement by signing and furnishing to you an identical Letter of Assent prior to their commencement of work.

Sincerely,

Bulldog Paving Inc

Re: PSA Agreement for Mira Mesa HS & Pacific Beach MS in regards to Laborers Local 89

Dear Sir,

I am writing this letter in regards to the above as to explain why Laborers LU 89 is being utilized and required for the Mira Mesa HS project and not requested at all for the Pacific Beach MS project.

As you are aware, we have been sub-contracted to install permeable pavers at both of the above mentioned projects. However, there is a substantial amount of difference in the scope of work that is required by us on both of the above. Normally our scope entails the installation and spreading of base and aggregates as it does at Mira Mesa HS, in which case Laborers LU 89 is required to dispatch its trade as it falls within there scope of work. In the case of Pacific Beach MS, all base and aggregate was placed prior to us beginning our installation of pavers. The 1-2" of bedding aggregate at Pacific Beach is installed by a bobcat which falls under the Operators Engineers Union. From there, the permeable pavers are installed by our core employees and members of the bricklayers Local 4. At no point, as far as I can tell, there is a requirement or need for any Laborers to be on this job site. I will agree that for the Mira Mesa HS project, once we are required to start work, Laborers Local 89 will be required for this project. At that point, it is our intent to request Laborers.

I hope this clarifies matters, if you have any further questions, please do not hesitate to contact me.

Sincerely yours,

Pardip Sandhu, President..
