

Clairemont High School

4150 Ute Drive, San Diego, CA 92117

Built in 1958
Site Acreage: 36.3 acres
1527 Students

Guiding principles were established by the Board of Education's Ad Hoc Task Force on the Bond to assist in developing educational facilities that:

- are the heart and soul of the community
- have parity of the physical facilities and structures
- improve student learning and achievement
- improve accountability

Site-Specific Bond Project List

The following needs were identified through a comprehensive planning process, which included input from school site representatives to cluster meetings, district departments and other assessment measures.

The language below will be included in the bond resolution:

Project Improvements to Support Student Learning and Instruction

- **Retrofit/build spaces to provide new and updated career technical learning environments for the Automotive Program and other supporting educational spaces**
- **Provide 21st century technology upgrades, including audiovisual projection capabilities for all students**
- **Provide a wireless network (WIFI)**

School Improvements to Support Student Health, Safety and Security

- **Replace obsolete fire alarm and emergency communications system**
- **Renovate food service area, including cafeteria, and provide food kiosks to increase service efficiency and provide healthier food choices**
- **Install security lighting, including lighting in the parking lot, as well as increase vandalism and intrusion safeguards, including modifications to existing fencing, to secure site**
- **Remove or minimize risks of any potentially hazardous material throughout the facility**

Projects to Improve School Accessibility, Code Compliance Upgrades

- **Renovate existing restrooms and locker rooms**
- **Renovate gym, including new bleachers, to meet accessibility regulations**
- **Improve accessibility to all classrooms, labs, restrooms, and other school facilities to comply with accessibility regulations, including ADA Titles I & II**
- **Install three-compartment sink**
- **Complete renovation/modification of old bleachers, including new press box, to comply with accessibility regulations and code**
- **Upgrade fields and track for safety and accessibility**
- **Repair/replace/remove old portable classrooms**
- **Renovate or provide new accessible restrooms for stadium and fields with accessible concession booth**

Major Building Systems Repair/Replacement

- **Repair roofing, ramps, stairs, and walls as needed**
- **Repair site sidewalks and broken concrete**
- **Repair/upgrade building interiors, exteriors, finishes and fixtures, and address the needs in specialty classrooms**
- **Repair/replace outdated heating and ventilation systems, where needed**
- **Replace aging wiring and upgrade electrical systems, including adding additional power receptacles and data ports in library**
- **Repair/replace deteriorating sewer and plumbing systems**
- **Repair/replace/upgrade performance spaces**
