

Dana Middle School

1775 Chatsworth Blvd.

San Diego, CA 92107

Sub-district: C
Cluster: Point Loma
Year School Opened: 1942
Grades: 5-6

- ① Roof Maintenance
- ② Baseball Field & Stadium Facility Upgrades

Located in the Loma Portal neighborhood of Point Loma, Dana served as a junior-senior high school until it closed in 1983 due to declining enrollment. The school reopened in 1998 as a middle school due in large part to a strong community lobby effort.

Originally built in 1942, the school's masonry construction is ideal for its sound abatement quality that reduces the noise of departing aircraft from Lindbergh Field. Four of the five permanent buildings were built in the 1940s, and the fifth, a multipurpose building, was completed in 2003. The campus includes a softball field and a shared use baseball field; the latter is the practice and home field of Point Loma High School's baseball team. The field is named after Point Loma alum and former Major League Baseball pitcher David Wells.

Dana MS LED Roof Repair

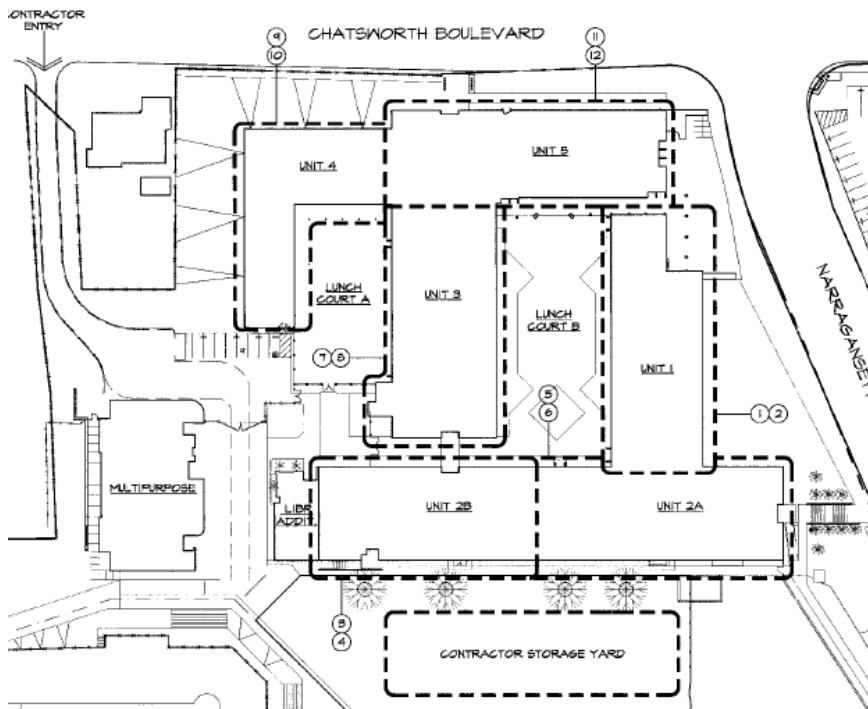

Completed: October 2013
Funding: Proposition Z

Six buildings were reroofed, with the majority of the work focusing on a design that would properly handle storm water runoff and drainage in the courtyards and in the front of the site. Six separate roofs on the main building were repaired during the process.

Dana MS David Wells Baseball Stadium Upgrades

Dana MS David Wells Baseball Stadium Upgrades

Completed: September 2014

Funding: Proposition Z

Named after former Major League Baseball pitcher, Point Loma High alum, and current Point Loma baseball head coach David Wells, the original 130,500-square-foot field underwent major renovations that included installation of a state-of-the-art synthetic turf surface on the infield and outfield and various stadium improvements.

Upgraded Stadium Features

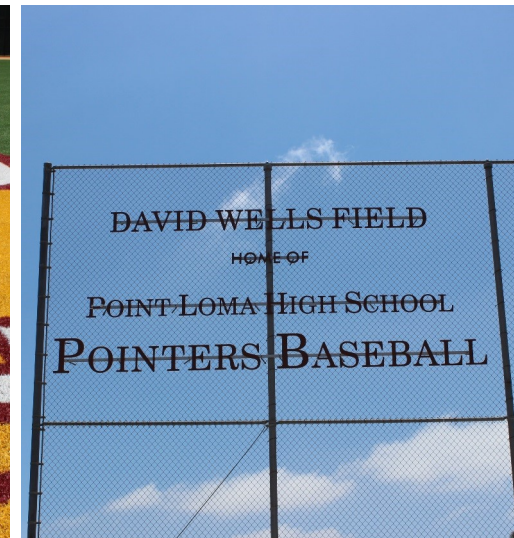

- Special clay pitcher's mound
- New centerfield fence with wind screen and gate access to small practice/storage area
- Two new bullpen mounds and 6-foot safety fence installed along left field foul line
- PLHS logo installed in centerfield and behind batter's box
- Tan strip installed along perimeter to serve as warning track and designated running path for Dana Middle School P.E. classes
- Outfield area to be utilized as a multipurpose field for Dana Middle School students
