### Site-Specific Bond Project List

The following needs were identified through a comprehensive planning process, which included input from school site representatives to cluster meetings, district departments and other assessment measures.

Ibarra Elementary School opened in 2005 as a completely new facility. As one of San Diego Unified School District's newest schools, Ibarra Elementary School meets the current district facility standards. Future improvements, within the areas of need identified in the bond measure, may be required. This school will benefit from the site discretionary fund allocation of \$150 per student.
