

Kearny High School

7651 Wellington Street, San Diego, CA 92111

Built in 1954
Site Acreage: 34.3 acres
1828 Students

Guiding principles were established by the Board of Education's Ad Hoc Task Force on the Bond to assist in developing educational facilities that:

- are the heart and soul of the community
- have parity of the physical facilities and structures
- improve student learning and achievement
- improve accountability

Site-Specific Bond Project List

The following needs were identified through a comprehensive planning process, which included input from school site representatives to cluster meetings, district departments and other assessment measures.

The language below will be included in the bond resolution:

Project Improvements to Support Student Learning and Instruction

- **Retrofit/build spaces to provide new and updated career technical learning environments for the Construction Tech Academy and other supporting educational spaces**
- **Provide 21st century technology upgrades, including audiovisual projection capabilities for all students**
- **Install a wireless network (WIFI)**

School Improvements to Support Student Health, Safety and Security

- **Replace obsolete fire alarm and emergency communications system**
