

Lincoln High School

4777 Imperial Avenue, San Diego, CA 92113

Built in 2007
Site Acreage: 24.4 acres
2333 Students

Guiding principles were established by the Board of Education's Ad Hoc Task Force on the Bond to assist in developing educational facilities that:

- are the heart and soul of the community
- have parity of the physical facilities and structures
- improve student learning and achievement
- improve accountability

Site-Specific Bond Project List

The following needs were identified through a comprehensive planning process, which included input from school site representatives to cluster meetings, district departments and other assessment measures.

The language below will be included in the bond resolution:

Lincoln High School reopened in 2007 as a completely rebuilt facility. As one of San Diego Unified School District's newest schools, Lincoln High School meets nearly all the current district facility standards. Future improvements within the areas of need, identified in the bond measure, may be required. This school will benefit from the site discretionary fund allocation of \$150 per student.

Project Improvements to Support Student Learning and Instruction

- **Retrofit facilities to improve specialized high school instruction**

Lincoln High School
