

Porter Elementary School

4800 T Street, San Diego, CA 92113

Built in 2006

Site Acreage: 12.6 acres

759 Students

Guiding principles were established by the Board of Education's Ad Hoc Task Force on the Bond to assist in developing educational facilities that:

- are the heart and soul of the community
- have parity of the physical facilities and structures
- improve student learning and achievement
- improve accountability

Site-Specific Bond Project List

The following needs were identified through a comprehensive planning process, which included input from school site representatives to cluster meetings, district departments and other assessment measures.

The language below will be included in the bond resolution:

Porter Elementary School was opened in 2006 as a completely new facility. As one of San Diego Unified School District's newest schools, Porter Elementary School meets the current district facility standards. Future improvements, within the areas of need identified in the bond measure, may be required. This school will benefit from the site discretionary fund allocation of \$150 per student.

Project Improvements to Support Student Learning and Instruction

- **Install a wireless network (WIFI)**

School Improvements to Support Student Health, Safety and Security

- **Install/increase security lighting, as well as, increase vandalism and intrusion safeguards**
