

# Jonas Salk Elementary School

7825 Flanders Dr.  
San Diego, CA 92126

Sub-district: A  
Cluster: Mira Mesa  
Year School Opened: 2015  
Grades: K-6

- ① New Campus Construction
- ② Joint Use Field

Jonas Salk Elementary is a new school in the southwest area of the residential Mira Mesa community. The first year of enrollment was approximately 500 students. The students represent the diverse neighborhood. The school emphasis is on STEM (Science, Technology, Engineering and Mathematics).

The campus consists of four permanent classroom buildings, a media center, administration office, covered lunch court, play structures and an indoor/outdoor multipurpose room for a total of 38,407 square feet of learning space. The school has a lunar quad that features the phases of the moon.

# Salk ES Joint Use Field

Estimated Construction Completion: Spring 2023

The City of San Diego has designed and will construct this Joint Use Field. The project includes a clubhouse with restrooms and sail type shade structures. There will be a large walking path on school property and walking path in a connected public park not on district property. A new parking lot will be constructed just south of the school for use by the JUF.
