3401 Clairemont Dr.  
San Diego, CA 92117

Sub-district: A

Cluster: Clairemont

Year School Opened: 1953

Grades: K-12

① Multi-use Field

Whittier Elementary School opened in 1953, but later closed in 1984. Del Sol Academy, now Whittier K-12, replaced it at the original location in 2009. The school serves students that are significantly impacted by behavioral, communication, academic, sensory, and/or social needs. The school is located in the Clairemont neighborhood adjacent to the Mission Valley YMCA Krause Family Skate/Bike Park and a short distance from South Clairemont Community Park, Marston Middle School, and Clairemont High School.

The campus is comprised of 12 permanent buildings, most of which were constructed in 1954-55. The total building area is approximately 45,000 square feet. Site features include a café, shaded lunch area, landscaping throughout the school, benches provided as an Eagle Scout project, several play structures, play areas with rubberized matting and a new multi-use field with synthetic turf with a perimeter rubberized all-weather track. The school is located in climate zone 2 (central) as designated by San Diego Unified School District.

## Whittier School K-12 Multi-use Field & Track

Completed: March 2015

Funding: Proposition Z

A .6-acre, multi-use synthetic turf field and 37,000 square feet of permeable rubberized running track were constructed at Whittier School. The field features fencing, a turf baseball diamond, backstop, dugouts, benches, and an approximately 162' x 92' area with a designated soccer field. The track sits on top of porous asphalt pavement and includes four marked running lanes. Irrigation and drainage were also installed.
